Unit :

Location :

Equipment No.	Name	Dia. mm	H	Design		Mat'l	P&I	Remarks
		Ht. mm		V	Press bar(g)	Temp °C		
		*Wt. kg						

*Estimated erection weight (Excluding Insulation and Attachments)

Note: Above data (except for Item No. and Name) shall **not** be used for design purposes. For this purpose the data on the relevant specification/data sheets shall be used.

Equipment List

Acct. Pumps

Client :

Signature

Unit :

Location :

Equipment No.	Name	Capacity m ³ /h	Δp bar	Motor kW	Mat'l	P&I	Remarks
						*Wt. kg	

*Including Driver and Baseplate

Note: Above data (except for Item No. and Name) shall **not** be used for design purposes. For this purpose the data on the relevant specification/data sheets shall be used.

Equipment List

Acct. Heat Exchangers

Client :

Signature

Unit :

Location :

Equipment No.	Name	Area (m ²)	Tube	Shell	Type	P&I	Remarks
		Dia (mm)	Mat'l D.P. bar(g)	Mat'l D.P. bar(g)			
		Len (mm)	D.T. °C	D.T. °C			

Note: Above data (except for Item No. and Name) shall **not** be used for design purposes. For this purpose the data on the relevant specification/data sheets shall be used.

Equipment List

Acct. General

Client :

Signature

Unit :

Location :

Equipment No.	Name	Mat'l	P&I	Duty - Description - Remarks

Note: Above data (except for Item No. and Name) shall **not** be used for design purposes. For this purpose the data on the relevant specification/data sheets shall be used.

Equipment List

Acct. Heaters

Client :

Signature

Unit :

Location :

Equipment No.	Name	Mat'l	P&I	Duty - Description - Remarks

Note: Above data (except for Item No. and Name) shall **not** be used for design purposes. For this purpose the data on the relevant specification/data sheets shall be used.

Equipment List

MM Items

Client :
